

We are delighted to have been awarded a grant from the IMB Bank Community Foundation for our Warm Blankets for Everyone project. It is also fantastic to be part of such an inspirational group of people and organisations that are making genuine changes in our communities.”

Since 1999 IMB Bank Community Foundation has supported more than 900 not-for-profit community projects that help our communities, with 55 more projects funded in 2023. The full announcement and information on the successful projects and the Foundation is available on the IMB Bank website at [IMB Community Foundation Projects - IMB Bank](#)

## Comfort for Those in Need

### WARM BLANKETS FOR EVERYONE

Warm Blankets for Everyone (WBFE) is a charitable organisation, dedicated to crafting warm blankets from recycled materials for vulnerable individuals in the community. With over 100 volunteers, WBFE distributes around 2,250 blankets annually through local charities. Foundation funds purchase polar fleece for backing, a critical component for creating these comforting blankets.
